

HOW IT WORKS

Promote Social Inclusion by supporting service users to participate in community based activities.

Provide service users with the best possible support services in collaboration with stakeholders.

Clients remain with their Care Coordinator, Psychiatrist and treating team.

(PARCS) Healthcare will support clients to attend their medical reviews, CPAs, Physical Health Clinics and GP appointments.

To help our partner organisation to re-locate scarce resources to efficiently meet their organisational needs

SERVICE TIMES

All our services are staffed 24 hours a day, 7 days a week, with an On-Call Senior Manager at all times.
